

C.C. RIDER RACING

December 10, 1999

Boy was I surprise to see the **MOTORCYCLIST'S POST** last month, since it was my first story. And Leo **THANKS** you may it come alive. I still can't believe it. You just don't realize how much it takes to put a paper together, and make it good. I know now first hand how hard & long it takes to do a little article, like my first one took a week, at least.

Well its down time, with no races to go to. But I had time, to go to **VANSON Leathers, Inc.** open house. And what a time I had. I got to hang out with the **Master TOP FUEL HARLEY DAVIDSON CHAMPION**, One of my Idols **Jim McClure** and his wife Phyllis. At the races you don't have much time to go around and visit. Because everybody is so busy trying to get tuned for the race, or fixing something. But it was great to see them here in **New England**. And of course they had the **Monster TOP Fuel Bike** with them. And I got to get up close to that **Monster** Top Fuel Bike. The **Champion Jim McClure** and **Phyllis** was so nice they even allowed me to sit on there **TOP FUEL BIKE**. It was great, boy was I dreaming, and it made my day.

Also another idol of mine was there too. Larry McBride "**SPIDERMAN**" The fastest man on two wheels. Larry McBride's **5.993 seconds**, recorded on Oct. 31, 1999 at the NHRA Houston race. **1,197 estimated horsepower** was delivered to the rear tire to produce a jaw-dropping **243.68 MPH**. Larry has gone where **no motorcycle** had gone before. I hope you got a chance to meet these guys and check out there Drag Bikes. Because there The Two **GREATEST MEN ON TWO WHEELS**. And there bikes are **Fast**.

If you missed out on **Vanson Leathers** open house. And missed me, remember you can get up close to my **Pro Stock Drag Bike** at the **WORCHESTER'S CENTRUM CENTER** on Sunday, **Jan 23, 2000**. You will also get to see allot of other custom bikes too. And remember you could put your bike in the bike show. Or just come on down and hang out and listen to the live music all day long.

Here's the **Nationals Points** standing for The **All Harley Drag Racing Association** for **1999**. The different from the Eastern Points standing and the National is. The **National points** of the **top 5** in each class gets to hold that **#plate** for the race season **2000**. Just look at all the **PLATE HOLDERS** in the **Northeast**. (Bold Print).
